V.A.C. trucks, Palestine.

Jones letter 20/1/2/1 dated 14th March.

Efforts were made by ourselves and G.H.Q. to establish the revised price for the 62 vehicles in question. After considerable delay at the Palestine end and sifting of conflicting information, G.H.Q. now inform us that the 62 vehicles represent 62 dodge chassis (repeat chassis). The Palestine Government have been asked to accept the revised price L450 (half L900), per chassis and G.H.Q. who have not yet received an answer are pressing the Palestine Government for reply.
